“ To my dearest Aunt and cousins, I will miss and also remember all the good summers around the baseball and football fields, the trips up north and just all the fun that Uncle Guy was a part of. Occasionally I think of all the times he rattled me about losing a horseshoe match, but later on understood it was his way of making me practice to be better. My thoughts and prayers are with the family and I know George is up their right now saying "Marty & Walt, we have are fourth" Love, David##imported-begin##David Conte##imported-end##
