“ *Mrs Kennedy was always so sweet through the years. I remember her as the swim mom since 4th grade, and her being so active with her loving family all these years. She had such a warm, caring touch. She will be missed. RIP Mrs Kennedy* ❤️ 🙏

“ One of my fondest memories of Mrs. Kennedy was while in high school, Linda (Kennedy) and I had talked our swim coach into letting the swim team managers have 'uniforms'. There was no budget for ready made uniforms so Linda and I decided to make them. Once we got into this project, we realized we were in over our heads so our go to person was Mrs. Kennedy to bail us out on this. Mrs. Kennedy took us down to the basement where the sewing machine was all set up and looked at the 'uniforms', shaking her head and then letting out a laugh. She got to work pulling everything apart. After several times of trying on the 'uniforms', the many pins, a lot of laughing and giggling, we had 'UNIFORMS'!! She was our miracle worker! A few years after graduating from high school, I lost contact with Linda and Mrs. Kennedy. In 2006 I was able to get in touch with Linda through a swim team reunion and met her at Mrs. Kennedy's house. Mrs. Kennedy looked the same and was so welcoming. She showed me a quilt she was making for one of her grandkids. I remember thinking at the time how wonderful it was that Mrs. Kennedy was able to continue her wonderful sewing talents over the stretch of time and into another generation. Rest in peace, Mrs. Kennedy. We sure did look great in those uniforms!
