“ Hank the entrepreneur. I remember going to a local NAPA Auto Parts store which had just moved to a more advantageous location (I was replacing the brakes on my car) The guy manning the cash register was Hank. "So Hank you work here? Mark I own the place he replied with a laugh" We had a hearty conversation reminiscing about our High School days at DeLaSalle and Western Michigan University. I had so much respect for him. "Well done my good and faithful servant" - parable of talents in Matthew 25:21
