“ Peggy called me late last night to tell me about uncle Harold. It is so sad to finally have to say goodbye, but we have to believe that he is young and strong again in heaven, waiting for us to catch up and follow him there. I will never forget visiting him at the officewhich smelling of rubbing alcohol, and him going behind Aunt Lil's desk to grab me a treat. Or how how every time I saw him he would walk up to me. touch my chin and turn my face to see how much more sun dammage I was doing by laying out in the sun. I have missed him for a long time and will continue to miss him. He was my Godfather and a wonderful uncle. My prayers and love are with you Aunt Barbara, Sue, Cathy, Chris and Dave. I'll see you this morning at the service. Love, Tracy##imported-begin##Tracy Usndek-Magiera, Aliena Magiera##imported-end##
