“ Chris, Paul, Bill, Greg and Mom...My sincere condolences to you folks...Although I haven't seen Dad much at all since moving from the 'ole neighborhood I have great memories of him...He was a good Dad - I am sure...I am glad you had him for so long...

I recall when I was pre-teen age your dad planning a fishing trip and how he made a rod connected to electricity...He soaked an area near your garden in backyard and shoved that rod into the ground and up came a dozen worms for the fishing trip...That was classic...I think we were all in AW at that moment...
