“ Harvey and Jackie were the best people ever, we moved in 2 doors down in 1999 and have been great neighbors/friends from that day on from all our Jack drive Christmas crawls to just sitting in the driveways and having drinks with all the best neighbors that anyone could ask for. I will miss the many talks that we had and all the times we spent together. I'm a better person today from having known him, god bless you Harvey, we will watch over Jackie and take care of her. Rest in paradise friend.
