“ *To Lisa O'Higgins and Family:*

I am so sorry for your loss. My prayers are with you though I will be unable to be there in person. God never puts upon us more than we can bear. While it may not seem such, His timing is perfect and His blessings are without end. Know that your tears are counted by Him and replaced with the memories that you hold dear of Hedy.##imported-begin##Julie Smith-Spears##imported-end##

“ *Hedy was my cousin. As a child I have fond memories of staying at my Aunt GG and Uncle Butch's house and having Hedy play with my hair and with her being my older cousin I looked up to her with love and admiration. Until recently I got to spend the last week of Hedy's life, visiting, talking and reminising of old times. I'm sorry I missed having a closer relationship with you Hedy, you are and were a genuine sweet person.*

Love ya cousin and may you finally have peace and be pain free in heaven.

Love,

“ *My thoughts are with all of the Mierzwinski family during this tough time. I have fond memories of the short period of time I was able to spend with her. I know she will be very missed by everyone who came in contact with her. Sending wishes of peace and comfort to all, but especially to my cousin, Billy.*

“ *Hedy was my cousin. When I was in Germany, we became pen pals for a short while. When I visited MI she was always at family functions. Family was very important to her. I will miss her during my future visits.*

Lisa, Ed, Ronnie, Maria, and Billy, my prayers are with you all during this time of loss. Remember the good times and the laughs that you shared. My love is ssent to all of you.##imported-begin##Pamela Bartels##imported-end##
