“ I love this picture of Auntie Helen. It reminds me of our family visits to your house when I was a little kid. When ever we'd drive down 8 mile, I'd always wave to your house, hoping to see your mom or dad in the yard. I hope this time together as a family helps you all remember the best parts of who you are.

My dad is unable to understand this and can not communicate his condolences but I am sure if he could he would be there today to pay his respects.

I am sad for your loss, but know that you honor your mom every day that you take care of each other.

All our love and prayers, Patty (Collica) and Lu Clavijo and Family

“ I'm so happy that I was able to meet Helen and get to know her at least a little bit. It was especially nice sitting next to her at the baby shower for her great-grandchild. What a lovely lady! And what a loving family! Deepest condolences to all of you on her passing.
