“ *Dearest Auntie Helen,*

We love you so much. You were always so kind and cheerful. . . Always a smile on your face and always a kind word to share. When we were young children visiting with our Dad right up through visits over the last few years, you were always fun and spirited. We are so blessed to have so many wonderful memories with you.

Juanita, Donald, and your families - We are so sorry for your loss. May you find peace in your memories and knowing you'll all be together again in time.

“ Auntie Helen was always so much fun, remember her visits to GG's (Ann's) house when I was young, she was always laughing about something and full of life! So many memories of shopping on Van Dyke and going to the Michigan State Fair. Was so blessed to have visited her last fall, will always treasure the visit and the photos taken. So sad to hear of her passing ... thoughts are with Juanita, Donald and their families.

Many Hugs,

“ *My thoughts and prayers are with Helen's family and friends.*

What a sweet, kind, warm and loving lady! I remember visiting her as a young child with my grandfather (her brother, Mike). She always greeted us with a hug and made us feel so comfortable. She was always smiling and cheerful. Her smile and laugh were infectious. I remember seeing her and Aunt Ann together many times, always laughing and so friendly to everyone they encountered.

She will be missed by so many!

Bless you and Rest in Peace, Aunt Helen.

“ *Dear Bridges Family and Friends,
I wasn't privileged with the remarkable acquaintance of Mrs. Bridges as you were, but it saddens me to read of your tremendous loss. Please accept my family's sincerest condolences. It brings great comfort and hope to many when they read of The Almighty God and Creator's promise to rid humans of death, pain, sorrow, and outcry, in his Word The Bible . May you all have peace.*
