Many thanks to Bishop John Quinn, Dennis Bruck and Debby Bruck for remembering Mom in such a special way. Although I could not be there because of the pandemic, the three of you made me feel like I was there.

I just watched the beautiful funeral mass for Mrs. Bruck and feel such strong ties to her. Her brother Dan Doran and I worked together many years ago, and I knew him well. One of her boys and his three sons have been in my life for over thirty years. These days it is always a great joy to spend time with her family, especially three of her great grandchildren. I have heard many wonderful stories about Mrs. Bruck, and may she rest in peace.

*I myself felt so lost and empty when my mother died. We have to keep the wonderful memories that we have and be thankful that God gave us such a good mother!
She deserves to be with him now.*

“ *Dear Dennis,
My heart goes out to you. I send love and prayers to comfort you and your family. The loss of your mother is painful for you, but she is free of pain and is with your dad, her life partner.
You can look in the mirror each day and see a dutiful son - a son that demonstrated love each day. Your reward will be your reunion with your parents in heaven.*
