“ *My Aunt Helen was always a big part of our life. One of my earliest memories is of her calling long distance to find out what I would like for my fifth birthday. Of course I said a "Barbie doll". Auntie Helen made sure I got that Barbie doll. She was a great aunt, a wonderful daughter to my Grandma Welsh and a great sister to my mom. I am so happy that she found Uncle Frank and had 31 happy years together. We all will miss her and take comfort in knowing that she is at peace now. “ My deepest sympathies to each of you. Helen is a long time friend of my Aunt Betty. She was always around years ago. I saw her at JCPenney's many times and the ironic thing is just last week I thought to myself how I hadn't seen Helen in quite some time. We have lost our entire family in the last few years so I know your pain. Our only solace is that there is no more pain and suffering for them. May you find peace and comfort. God Bless you all.##imported-begin##Janet Gottardo##imported-end##
