“ *I echo my sister Joann's comments. Years later, the love "Auntie" Helen showed us while taking care of us affect me now. She smiled a lot, and was loving and accepting. I'm sorry for your loss, Barbara, Alice, and Johnny!*

“ Barbara, Alice, Johnny (Nancy) – our family wishes to share our sincerest condolences to you and your family – Auntie Helen was a genuine lady with a gracious smile and many kind words. I have fond memories of her babysitting my brother and me when we were small. Know that she is there with Uncle Stanley playing pinochle and canasta with dad (as they did on so very many Sunday’s when we were growing up). You are in our thoughts and prayers, Joann (Curt) Dybash

“ I always loved her! She was a woman of such grace, dignity, and respect. She loved her family and genuinely cared about those around her. I always enjoyed visiting her when I spent the night with my cousin Lynn. She was the epitome of a great generation and will be missed. Sending love and hugs to the family. xoxo

“ I met Helen at the Detroit Free Press where we worked together until her retirement. I was an 18-yr old kid starting out on a 40 yr plus career. She was genuinely one of the nicest people I ever worked with. She served the role as my "work mom" and always had good sage advice. My heart, prayers and sympathy go out to the entire family. Helen was a wonderful woman. Karen Foyt Zemnickas
