“ Hi Cousin Kathy,

*I just came across your mom's death notice online. I am very sorry for your great loss. The last time I saw cousin Helen was at Uncle Bill's 90th birthday party. Both your mom and dad were so nice to talk to when ever I saw them. Praying for your family. RIP cousin Helen.*

“ I always remember her quiet gentleness but always greatly interested in what here kids and grandkids were doing at the various birthday gatherings attended at Ed and Cathys.

“ *Cathy and Ed I am so sorry to hear of Helen's passing , I first met her and you serving snacks here at American House for entertainment. Both of you and mom will be greatly missed in the building. You not only took care of mom but you helped many others here in the building ,Ed my daughter said to tell you " guess she will have to take over for you in the puzzle room !" That is if and when the building opens up again*

*Our love and prayers are with all of the family,

“ *Ed, Cathy, Bob and Melanie:  
I'm so very sorry to hear of Helen's passing. I'm fortunate to have gotten to meet her, although very late in her life, and each of you at the American House. I will always remember those breakfast meals and conversations with you. You certainly reflected the love of God in the care you provided her and in the kindness and concern you displayed for the other residents and staff.  
Ed, I so enjoyed our conversations and getting to know you. When I felt overwhelmed by the caregiver role, your example served to motivate me.  
My mother, Catherine, was very sad to hear this news and told me she will really miss seeing her at meal time (if and when these COVID restrictions are able to be lifted). She wanted me to tell you how much she loved your mom and loved being her table-mate.  
Please know that you are in Janine and my thoughts and prayers
