“*"Grandma" Helen lived in the same apartment complex as I did on 10 Mile and Hoover. She shared many memories with me down at the pool. No "Grandma" didn't swim but she would come down there to keep me company or read one of her hundreds of books. We exchanged books all the time, she would give me a bag of books and I would give her back more! We shared the same birthmonth and always teased each other about being the same age, although she was a couple of years older than me!! She was another grandma to my daughter who loved her to death. Grandma Helen always offered to babysit her if I was in a bind. When I moved out, I often thought of her a lot and always wished her well. She had a full life and a wonderful family.*

Thank you "Grandma" for the wonderful times we shared together!!!##imported-begin##Connie Roemer##imported-end##
