“ I am writing to extend my heartfelt condolences to the entire family on the passing of Mrs. Szymanski. She was truly a kind and caring individual and I have many fond memories of the joy and laughter that was always present at their family gatherings.

Although words can never erase the sadness that you feel when suffering a loss, sometimes it is comforting to know that people (even people you do not even talk to on a regular basis) are thinking of you in your time of need and only wish you the very best. Again, I would like to offer my sincerest sympathies to the family.##imported-begin##Sandy (Bishop) Niedzielski##imported-end##

“ To the Family of Helen Szymanski:

I want to tell you all how lucky you are to have had such a beautiful, warm and loving mother, grandmother and great grandmother. My prayers are with you all.

I have sent in a donation in memory of Helen's name to the American Cancer Society. It will be going to the house on Wurfel.

I hope that you will understand that I want to remember Helen with that beautiful smile. I will never forget our long phone conversations; and, whenever I said "bye, I love you and God Bless", she would always reply "me you too".

I have been honored to have known Helen for 23 years and blessed to have called her "friend".

May God Bless you and yours and I know that Grandma "Whistles" is looking down and smiling and saying to herself, "I did good".

Love, Rene' and Ray Woodburn##imported-begin##Ray & Rene Woodburn##imported-end##
