“ Dear Denise,
Ken and I extend our deepest sympathies to you and your family. Your mom was a woman of great faith and we had several occasions, in the weeks preceding her death, to "muse" on the comfort, solace and consolation that the gift of faith bestows. She reveled in and rested in that consolation. It has been an honor to know and love her, as she taught me much about what is true and lasting and important in life and I will remember her fondly until such time as the Lord calls me to join her at the heavenly banquet feast, when death will be no more. I look forward to being in the blessed company of both she and your dad, as well as your Dick. Their relationship and marriage, as is yours, an example of faithfulness and commitment to us all. May you be comforted by the love and support of family and friends and by the sure and certain promise of the resurrection unto eternal life. Chaplain Bonnie and Ken Steketee
