“ May God's blessings and peace comfort you and your family in this time of sorrow. Just know that she is not gone, but just around the corner, and all is well.

*"A Mother's Touch":*

*"A mother's touch is a gentle caress  
As she welcomes her children to life  
Arms outstretched to hold each new 'bundle'*

*When her newborns are laid by her side  
A mother's touch is a promise kept  
To care for her children's every need  
Hands that feed, change and bathe them  
Then gently rock them 'till they fall asleep ... "*

*"And when the mother is no longer there  
Her children continue her example of love and patience  
And the influence of her goodness and care  
Become her legacy to future generations"###imported-
