“ Henry,
Please know that the Lord is hugging your mom in heaven. She is not lost to you but waiting for the time when she can be with you again.

May God grant you peace and comfort at this sad time.

“ Thank you Patty and Henry for sharing your Mother with me. I met Henry in kindergarten and from the time I could ride a bike, would spend much time at your house. Over the years how many great Polish meals did I have with your family? Also over the years, all of the sporting events, one ill-fated paper route, holidays together, then grand-children and great grandchildren. Helene has been a shining light in my life.

What can I say about Pam? You must be commended for your relentless pursuit of the best care that could be provided to your Mother-in-law.

Helene always greeted me the same way by saying "How is my #2 son today?" I will miss that, but cherish her memory.

*Love, #2
Don*

P.S. Since I have come into the family, there have also been many fond memories of Helene. Even during times of illness, she always had a kind word to say at the many family gatherings. She will be missed. xoxo - Sandy
