“ Dear John - My deepest sympathy on the loss of your dear wife. I know first-hand the terrible feeling of such a loss but as I have learned, with the passing of time, the grief you are now feeling will always be there but it won't hurt as much. Cherish the memories of your life together but as several people told me when I lost my wife, "let her go..." You'll still see her in your children and grandchildren###imported-begin###Don Hoffman Ft. Myers, FL###imported-end###
