“ I always sensed she had a deep devotion and love for her brother, my father, by making our Easter holidays and brother Joe's birthday special. Remember those Easter cakes she made with all those jelly beans stuck into the chocolate frosting? That was a Rembrant master cake. She was always there with Uncle Rudy spreading her happy go lucky self with us. She filled a void in my childhood and I will forever be grateful. You will always be with me.##imported-begin##Kathleen Mattera (Odziana)##imported-end##

“ Dearest Auntie Helen, Marlene, Fernando and Family - please accept our sincerest condolences during this time. I speak for the entire Odziana family when I say that we have the fondest and most cherished memories of both Uncle Rudy & Auntie Helen. It's without saying that if Uncle Rudy wasn't such an avid camera and video enthusiast, our family would not have captured all of those special moments that we hold so dear and still have big smiles for today. With all of God's Blessings and love - Aunt Rita, Marie Dube & Earl Dube##imported-begin##Rita Odziana and Marie Dube##imported-end##
