“ I have known Helen since I was 16 years old, and I was her hairdresser for most of those years. She was one of my very first customers, and she always loved to talk. Over the years, we shared many happy times and memories of her telling me about her two son's, daughter-in-laws, grandchildren, and John, of course. I feel like I know all of you. My heart aches for your families. I will truly miss her. She was a special customer to me. I send my love and sympathy to the Wroblewski Families.##imported-begin##Susan Fraczek##imported-end##
