“ *Cookie, I was so sorry to hear about your sister Dolly. We were always "waving" neighbors. She always had a smile on her face. I was not able to make the visitation yesterday due to family commitments. Praying for you to get you through. Neighbor, Sue Mackey*

“ I’ve known Dolly since she began working at Bi-County back in the late ‘70s. She started on 2 South where I was her head nurse. From that first day she challenged me with questions that no other Nurse Assistant had ever asked, technical questions that sometimes I couldn’t answer without looking it up She was very intelligent. She will be missed by so many. RIP Dolly. I’m relieved that your suffering is over and you are with the Lord.
