“ *Linda*

God Bless you and family during this time. His loving memory will live on for many years to come. Without any doubt in my mind he will look down from heaven and feel pride and honor in the time he was given to be here and the blessing he called family. My love to you one and all!

“ *We share in your sadness at the loss of your beloved father. Hank was a member of our family, too, and all of you have been in our lives since we were born. My mother always said what a wonderful companion he was and how fortunate she was to have found another love in her life. Who could ask for anything more? I'm glad I was able to visit Hank just a few weeks ago, unfortunately, for my last time. He was an amazing person. Love to you all.*
