“ We remember Uncle Hank with fond memories of fun and dancing at family functions

Spending time with Him and Aunt Rosemary in Florida, Helping to celebrate His and Rosemary's 25 anniversary at St Isadores and their 50th at the nursing home.

We will miss his smile and gentleness at future family gatherings.

We pray that God will give him a great place in his heavenly kingdom.

Although we can't be with you at this time,  
We pray for peace and joy for Aunt Rosemary, Thresa, and Kevin and his family.

“ Hank was a very nice person and a lot of fun. Tony and I got to know him thru the years when he married one of my best friends from grade school. Even with out busy lives, we managed to get together for some memorable times. Hank was always smiling and a happy person. Now Hank and Tony can share those happy memories.

Rest in Peace, Hank. We will stay in touch with Rosie.

“ Dear Rose Marie, Theresa, Kevin and family, my deepest heartfelt condolences to all of you. Uncle Hank, my Godfather, was truly a wonderful man. My own Fathers best Friend and a terrific guy. He will be missed. I will always remember his great laugh! May God help you all find peace and comfort.

“ There are a lifetime of memories of our dear Uncle Hank. When he was single, he spent many evenings visiting us, amongst all of us kids, he was always so much fun. On Grandpa's farm, helping to put in the pool and fun times playing croquet around the yard. His beautiful turquoise Edsel Ford was so cool and he even let me sit in it and "push" the buttons. We had great picnics, was always "one of the guys" with the nephews, playing ball and enjoying our large family. After he met Auntie, he was so happy to find the love of his life. Dad (Tony) was best man at their wedding. He was ecstatic to become a dad to his beautiful daughter and son - and even more so when he became a grandpa. Uncle and Auntie were there to help our parents when we lost our Nancy and their kindness and support have never been forgotten. So many wonderful times to cherish and I will hold all these close to my heart always! Our very deepest sympathy to Auntie, Theresa, Kevin and family. We love you,

“ I had the privilege of taking care of Hank for awhile before he had to be placed where he could get the constant care he needed. What I got back from him was much more than I gave. He was kind, gentle, funny and more. This experience also gave me life long friends. Thank you Kujawski family for allowing me to be a part of your lives. I love Hank and will miss him very much. I hope your happy memories will sustain you in this time of sorrow.

*R.I.P. Hank, until we meet again.*

*Much Love, Rvonne*
