“ Mr. Henry drove me to school for two years and that is how we met. I remember being very nervous for my first day, but his kind words and reassurance gave me the confidence I needed. Henry was never afraid to speak his mind and I'll always miss his stories. I'll never forget on the last day of school when he bought pizza and pop for all of the kids that drove in the van. He was a great man and a great friend. On behalf of the ACHS van crew, thank you. -

“ Dearest Henry,

I already miss our walks on the track at the Rec Center. I could count on your great sense of humor to brighten three of my mornings each week. You were a dear friend. I know that you are in the arms of the Lord that you loved so much. May you rest in His peace.
