“ Matt:

No words can express the loss of such a man that was before his time. I'll cherish the talks we once shared and the knowledge he passed along. Bonds like the two of you had are 1 in a million. Look above for guidance and he shall shine upon you. You're in my thoughts and prayers and I'm only a phone call away. All my love.##imported-begin##Deanne Sibinovski##imported-end##

“ Leona,
Our hearts go out to you and Henry's family. I know you and George were very close to Henry. I am sorry we could not attend the services. Henry was a great person. I have known him all my life. The Faber family was one of the best families, I ever knew growing up in Detroit. I hope you will keep in contact. Once again our prayers are with you and his family. “ *From the moment I met Faber, I felt a sense of being privileged. Crossing paths with Faber was one of life's best free gifts ever given to me.*

While at Jet Box Baseball games I would always talk with him about his life experiences. His life was nothing short of amazing.

A true unheralded American hero, a standard for us to always remember and to always try and emulate.

I will always remember Faber and I will always try to be worthy of knowing him.

To Faber's family, please accept my family's offer of heartfelt condolences.

We are very sorry for youe loss.
