“ Yvonne,  
*There are no words to express my sympathy to you and your family. I was lucky to meet you and your husband earlier this year when I joined Cookie Lee. You both made me feel so very special and important. I talked with Hank for quite awhile that evening. He was smiling the entire time and spoke such wonderful words of you and how proud he was of you. I just wanted to tell you how sorry I am and to let you know how Hank left a place in my heart. You meet so many people in your lifetime but few you will always remember. Hank is one that I will remember because of his kindness, smile and wonderful personality. “ Yvonne & Boys,

*I just sat and read your guestbook. The music and the beautiful words of condolence was exactly what I needed to see all the encouragement and love that is being sent to you. You have been such a special person to me since we met at my first convention and we sat together the whole weekend. You have been such an inspiration to me. I enjoy your company so much. My husband, John and I loved Hank the first time we met in Cancun. We both said we want to have the same love you both had toward each other! In Hawaii He gave me a big hug and said how proud he was I made Executive. I have wanted to hear your voice and know that you are okay so many times these past few weeks. 2 days after Hank died, my 17 year old daughter was in a rollover accident. She was shakin up but it wasn't her time to go. I was so emotional over it thinking of you and how we still had our daughter. I love you and pray for you all the time. A favorite verse that has been special to me during this time is Joshua 1:9"Be Strong and courageous, Do not be afraid, for the Lord thy God is with you wherever you go." I pray you feel his loving arms around you and your family.*

Love you,

“ Dear Yvonne,

I was so sorry to hear about Hank this past week. My heart goes out to you and your family during this difficult time. I'm the Manager of the Seattle Cookie Lee showroom and just met the two of you at the opening in Michigan. You two were together every time you came in, I could tell right away what a special relationship you had together. When my Father pased away years ago I thought I wasn't going to be able to bear the grief, but someone special to me said something that made sense of my intense feelings of loss. She said that the overwhelming grief that I was feeling was a reflection of how much I loved him. It was also told to her when her mother died when she was a child. It made me feel a little better and I hope it makes sense to you. All our love and prayers are with you.

“ Yvonne and family,  
My thoughts and prayers are with you at this most difficult time. A wonderful poem by Thena Smith:  
Take time to grieve  
And yes, to weep  
But cherish sweet memories  
For those you will keep.  
Do not forget  
Though it now makes you sad  
For someday remembering  
Will again make you glad.  
We know that sorrow  
Never entirely goes away  
But the burden will grow lighter  
And you live from day to day.  
Rejoice in the time  
That you had to love  
And look forward to reunion someday  
In Heaven above.  
For God knows every heartache  
And He sees every tear  
And the one that you love so much  
The Father also holds dear.

Although I haven't seen him in a few years I used to run into him when he worked at the Tech Center from time to time and we always had a lot of laughs talking about the old days. “ Yvonne - I had the pleasure of meeting Hank at 3:30 am on the ship - as he headed out for his deep sea fishing trip - then to be able to sit with my husband and your table - next to each other at dinner that night, and see the pure joy on his face after that adventure with nature and his friends. Your smile and silence as he had his moment - such a testament of the love you shared together. We trust that God will bless you - and your Christian family will surround you both locally and from afar and keep you close.

“ Dear Yvonne & family,

*Please accept my sincere sympathy in this time of sorrow. Yvonne, I lost my husband of 19 yrs. after battling 15 months of brain cancer. It is very devastating to see your loved one deteriorate and even though I don't know all the circumstances of Hanks death, I hope he didn't suffer. I will pray for God to watch over you and your family to give you strength to deal with your lose and know that in time, the hurt will not be as strong. It will never go away because of the memories you hold close in your heart but the memories will eventually put a smile on your face when you remember all the good times you shared.*

*I'm just getting back from San Francisco, and I am so sorry to hear about Hank. He was so kind and thoughtful. At the grand opening of our showroom, he recognized me in the parking lot and said, "Congratulations!" I wasn't sure what he meant, and he said he saw my photo in the Cookie Lee magazine for my promotion to Unit Manager. I hadn't even seen it yet, but he did and remembered. That really stuck w/ me that he was so observant and caring. I know he has been strong for you, and he would want you to be strong for your family. “ To Yvonne and Family,

*Words can never describe the loss of a great man, a good friend, and a wonderful human being. I've known Hank and Yvonne basically since the Michigan showroom was opened. And he was always quick to have a good joke, or just to shoot the breeze with him, and he had a 100 watt smile that was very contagious to everyone who encountered him! I can honestly say that I'm glad to have known Hank as a good friend, not only to myself, but also to the Cookie Lee family at large (especially during the grand opening, the man was simply a Godsend)! Just remember to keep your head to the sky at all times, because even though he's passed on to the next dimension, we all know that he's looking down upon all of us, knowing that all of heaven is lining up for his first sale there!*

“ Yvonne, Hank was a wonderful man and I will never forget my time in Michigan with you both. You and Hank made me feel right at home like I had known you both for my whole life and helped me get reunited with family that I hadn't seen in years. I will remember Hank's loving smile and his heart to help and support others. He was such an example of dedicated man and will be missed greatly. Yvonne, no words can express my heart. May you feel the comfort and prayers of those that love you in this time of loss. Sincerely,

“ Yvonne,

*Here is a poem that I wrote. I hope that it will offer you and your family the same comfort it has provided me through the years.*

*"Some Things Are Forever"*

*All those special memories  
Are sealed and locked away forever  
In that special place in our hearts  
Where they linger of within  
A place very safe and secure.  
These special memories are invaluable  
Precious gifts no one can take away  
Ours for Keeps  
And although they may be invisible to the eye  
They are in full view in our minds  
Accompanied by warm and incredible feelings  
And like our personal shadow  
We can always count on them being with us where ever we may be  
For when souls have touched  
A Friend is gained.*

*Thank you Hank for all the special memories of your Love and  
Laughter.##imported-begin##Denise Boulianne##imported-end##*

“ Yvonne, I just heard about your husband from my Aunt Pat Poma. I want to let you know how sorry I am to hear about the loss of Hank. I remember him from my Aunts house when she had her cookie lee party and also when my sister Colleen Prieur had a cookie lee party. I was just telling my aunt today how i remember the story you told about how you drove off from McDonalds without the food for your kids. That was just the funniest story I ever heard, just the way you told the story left an impression in my mind of how upbeat and funny you are. I will keep you and your family in my prayers. “ Hank, you were a great man and you will be missed and never forgotten. Your amazing ability to always have a positive attitude and to be so supportive of those you love, are an inspiration. You forever have my respect and i am grateful to have known you and to have been your friend.  
In your honor and as a comfort to those you love, i would like to attach the following favorite poem:

*Ascension*

*And if I go,  
while you're still here...  
Know that I live on,  
-behind a thin veil you cannot see through.  
You will not see me,  
so you must have faith.  
I wait for the time when we can soar together again,  
-both aware of each other.  
Until then, live your life to its fullest.  
And when you need me,  
Just whisper my name in your heart,  
... I will be there.*

*Love Always,*
