“ Rob ,Fran and family you are in our in our prayers. What a funny guy he was i remember when he came up to your place in lexinton. I couldnt believe he was driving. He said oh yeah i drive just dont like driving at night. Then he had a big grin on his face, he really had a good sense of humor. That must be where you get it from Rob. May he rest in peace.

“ Herb was just like a father to me. My heart is broken and he will be missed more than ever, but I know there is a GLORIOUS reunion happening in Heaven!! Sadly, one of his lady friends passed three days later, so she and her loved ones up there are joining them. What a better way to live, than with the Lord in his house!! Herb, Joe, Johnathan, and I will always have a piece of you in our hearts. We love you and miss you!!!

“ At some point after he turned 90, Dad said "Oh man, I'm starting to forget things. I said "I've been doing that for 10 years already!
He was coming down the hallway one day when I was there and said "I'm walking like I'm 100 years old". I said "Your close, you've got a couple more years to go"

*Though I have only meet Uncle Herb twice, he was very very funny. Always told me jokes. He will truly be missed & my heart goes to all that loved him.

*Yes! Funny. Once I asked about taking trips by airplane. The usual response most give " Well I suppose if it's my time to go" " Well...Uncle Herb said "what if it was the guy sitting next to me's time to go?"
My condolences to all who loved him. He was a gem 🌸

“ Quotes from my dad he always told us as we took care of him the last couple of years.

1.) Old age isn't for sissies.

2.) If I had known I was going to live this long, I would have taken better care of myself.

3.) I never drink unless I'm alone or with somebody.

Hope you enjoyed this.
