“ Dear Margaret Ann,

I have no idea if you remember me, Jean Wendland Mazzola. Your father was my cousin.

You can't imagine how often I've wondered how you and your brother were doing.

The last time I was Chuck Seisser (about 13 years ago), I asked about you and Herb, but he said he hadn't had any contact with either of you.

Your grandmother and grandfather, along with your Mom and Dad, were a big part of my young life. Of course, as we get older, we have a tendency to spend a lot of time remembering our childhood and the "good old days."

I remember Herb as a very boisterous young kid. He kept your grandparents very busy. He was six years younger than myself. We spent a lot of time together when he stayed with your grandparents. I hope he had a fine, joyous life and was content.

Poor health keeps me in the house most of the time. I truly wish I was able to pay my respects and to see you, but it's just not possible.

I hope your life has been good and that you are happy. Herb will always be remembered in my prayers.

Fondly,

Jean##imported-begin##Jean Mazzola##imported-end##
