“ *It is hard to imagine that only a few months back Larry was such an important part of our 60th Wedding Anniversary. Sharing those wonderful songs, stories and his loving friendship over these many years will sustain us until our time comes to join him once more. He was a loving husband, caring father, proud grandfather and a loyal friend for over 60 years. While Richard reminisces about their friendship prior to WWII, it is wonderful to be a part of this history of a friendship that sustained both of them throughout these many years. Both of them shared different political views, but it never became a problem because they respected each other because of their love of country. Larry truly will be missed.##imported-begin##Richard and Annie Frederick##imported-end##*
