

## Holly P. Harvey

October 29, 1954 - October 5, 2022

Holly Patrice Harvey passed away unexpectedly on October 5, 2022 at the age of 67, at her residence. She was born on October 29, 1954 to Glenn M. and Helen (DiNardo) Harvey in Detroit. Loving sister of Susan Seablom, Diane (Roger) Catt, David (Kathy) Harvey and Sharyl Denton. Loving and proud aunt of Dyanne, Raelynn (Stuart), Johanna (Kyle), Michael, Adam, Alexander, Krisi (Corey), Anthony and Robert. Loving great aunt of Chelsey, Allyssa, Haylo, Madeleine, Kerrick, Noah, Mezziah, Brody, Carson, Asa, and Aiden and great great aunt of Antonio and Isabella. Predeceased by her parents, Glenn and Helen and brother Andy Harvey.

Holly believed in Miracles. She loved Angels and Manifestation. She was admired for her kindness towards others, especially strangers. She was a graduate of the Paul K Cousino Class of 1972. She was from the Hot Pants era, a little bit of a Beatnik back in her day. She loved fashion and music and was always the perfect hostess. She loved being part of a big family and was number 4 out of the 6 siblings. She had many job positions. She was a bank teller, a bartender, a waitress, an aerobics instructor and more recently a caregiver. She loved all things nature, especially her cats. She was a free spirit, a wild child some would say. We all loved her as she had a special soul.

A note was found in her wallet pertaining to Manifestation

“ *Holly,  
I'm going to miss all of our time together, talking on the phone for hours everyday, texting nonstop and being together. Your guidance and positive energy was a blessing that you don't find in many people. I am blessed to be able to call you a very close true friend and I miss you terribly, I keep reaching for the phone to call or text and cry because you are gone. My heart is broken but I know that you will show me the way through your spirit, keep sending me signs that you are with me. I love you and truly grateful to have had you in my life. Until we meet again.*

*Love, Michelle, Ron and Anthony*

*Holly,*

*where do I start. we worked together at fieldstone . when i first met you I thought who is this loud bossy lady? let me tell you I didn't know what to expect but you sure let me know what you expected from me and soon enough we were friends. we spent a lot of time together every summer for 8 years and we shared many laughs and stories. I am sorry we lost touch over the years but I am most sorry this is how we had to reconnect. I still have the wish angel you gave me on my dresser. holly you were all the things said about you . and so much more . you took nothing from no one you were strong and opinionated compassionate and full of passion. you love everything you did and gave 100% of yourself, and people just loved you ... I am one of those people . rest easy holly xoxo*
