

## Ina Jean Houser

July 10, 1936 - July 13, 2021

We are so sad to share the unexpected passing of Ina Jean Houser (nee Torri) July 13, 2021. Ina loved being a mother (Kerry/Debbie and Gayla/Lee Ricelli) and grandmother (Ross and Yvette Ricelli), (Stephanie and Paul Kossak), (Jeff and Sara Houser) and (Anna Ricelli.) She joyfully celebrated her recent 85th birthday with her adored great grandbabies, Charlotte and Vinny.

Ina was a creative DIYer who loved garage sales, pinochle and the Detroit Tigers.

She was predeceased by her loving husband and best friend James in 2016 (they're probably holding hands!) sister Arlene Rodriguez and brother-in-law Bob.

She is also survived by the loving Rodriguez extended family.

The family will host a visitation Saturday, July 17 from 11 a.m. to 2 p.m. at Wasik Funeral Home, 49150 Schoenherr Road, Shelby Township, 48315. A short service will begin at 1:30 p.m. For directions, visit [wasikfuneralhome.com](http://wasikfuneralhome.com).

“ *Ina and Jim were wonderful next door neighbors when we moved to Melton Street in 1985 from CA. Ina and our oldest developed a sweet bond and with their dog Scruffy. J was just a toddler and always wanted to go next door for a visit. Jim and Ina welcomed us for holiday dinners - even after our move a few years later. When Lauren was born, we'd sometimes join with her visiting grand babies and enjoy them all together. She was a warm, giving friend. We kept in touch over the years at Christmas, birthdays after our move to Colorado 10 years later. She and Jim will always hold a special place in my heart.*

“ *Found this friendship on Melton Street in the late 60s. It was a wonderful time in my life with all the other neighbors. Jim, Ina, Gayla and Kerry were special friends that shared the building of our cabin up north, Friday dinners, babysitting, card games, street parades, group barbecues and so very many laughs. Tom was the first to go, then Jim and now Ina. I feel so alone. Rest in peace Ina and save room for me. Love, Gloria Schettler.*
