“ It was an honor to be friends and neighbors of Al and Irene. I missed them terribly when we moved but have fond memories of them and the family activities and milestones in their families' lives that we were able to share. What a wonderful family you all belong to and how lucky you all must feel to have had such great role models to follow. I wish you all the very best and hope for the fondest of memories for all of you as well.##imported-begin##Sherry (Shaul) Schummer##imported-end##
