“ *Irene and I shared the same birthday. We always said we were
going to celebrate with a glass of wine together. Unfortunately, that
never happened. She was an inspiration to the end. She even
messedaged me from ICU before she passed. Rest In Peace! 🍀*

“ We were friends in school and I moved to California for twenty years, moved back to Michigan and received a call from Irene within days of being back. She was that kind of person, ready to pick up where we left off. Soar with Angel's dear friend. Your words of kindness were always uplifting and caring. You will be missed. God's finger touched her and she slept. RIP 🙏

“ Rest in Peace my friend. So happy we got to have our weekly gab fest. You were tired so we just said "talk to ya later", like we always did, never good bye. Now you can grab your favorite blanket and go sit at the waters edge and watch the waves roll in alongside your mom and dad. Give them some much needed hugs and kisses. Watch over John and your girls. 💕😔💕
