“ *Irene was a funny, smart and loving lady. I will have my memories of our drives down Jefferson to look at the Fall colors, watching her TV programs in the evening and laughing out loud. I was fortunate to have had her in my life for 4 years. "Dobranoc Kochanie". Kathy Howell*

“ *My thoughts and prayers are with all of the families of Don, Jan, and Ken. I have so many happy memories of your Mom. She was always kind, warm, and shared so much of her time with us. I remember when we all used to be in the huge sandbox in the backyard, and the yard was full of kids and she always had snacks for us and encouraged us to just have fun. I remember that she was a wonderful cook and baker. And of course she let us play with all of the samples of Avon lipsticks when we did dress-up. Jan between my mother's old dress-up clothes and the your Mom's supply of cosmetics - we must have looked quite the sight going back and forth between our houses. Both of your parents were wonderful and I cherish and enjoy our shared childhood memories. May they both rest in peace.*
