“ *I will always remember when Kay's mom was so sweet to me when I was a flower girl at Roman and Kay's wedding. I was so tired and fell asleep in one of her bedrooms. The two "hot dogs" were always fun to play with whenever I came over with Mom and Dad. Happy that I had a chance to see Irene and spend some time with her and Kim last time I visited. Our prayers are with you Mrs. Kapusniak and with Kay and Roman, and with all my nieces and nephews.*

*With love and prayers, Aunt Jeannie and Uncle Roy*

“ Kathy:

*Please convey our condolences to the entire family, primarily because they no longer have a mother, grandmother & great grandmother to visit and share their life experiences. Otherwise; WOW, what a life to celebrate. Nearly 98 years of serving as a witness to history, innovation and progress. Years of joy as a daughter, wife, mother, aunt, grandmother & great grandmother to a family that has grown throughout the years.*

*Good health in her senior years and living independently for most of those years. What a blessing! Regardless of our faith & beliefs, no one really knows for sure what happens after we pass away. If, however, we are able to join our loved ones in another life, I can't help but chuckle to think of what Uncle Zig might say when Aunt Irene appears at those pearly gates. \_\_\_\_\_ "Where in the hell have you been all of these years?" "How much longer where you going to have me wait?" Ha! God Bless.*

“ To Irene's Family,

*It is with much sadness as we write extending our deepest sympathy to all of you.*

*At the same time, we have pleasant memories of Irene being our neighbor for 27 years.*

*Death leaves heartache

*Love heals a memory  
No one can steal*

*May the abundance of your love create wonderful memories that heal all your heart aches.*

*Our prayers go out for Irene and all of you. We extend our Love as we share her loss.*

*May She Rest In Peace,*
