“ When someone we love dies it breaks our hearts. We try to accept it as a part of life as we struggle to move on without them in our lives. Fortunately, our loving Creator has promised that soon such events as death will no longer haunt mankind and separate us from those we love. Jehovah God has promised to destroy death (Isaiah 25:8) and to restore our loved ones to us who have died by means of a resurrection (John 5: 28, 29) May these Bible truths bring comfort and reassurance to your hearts that you can see your loved one again. My deepest sympathy to you.
