“ *I send you my deepest sympathy. I could not forget your mom and seeing the photo is how I knew she would look. I am a first cousin to your father, his mother and my father were siblings. Your mom came to our funerals even after your father died. She was so friendly, you have lost a great lady. I seem to remember that she is even related to my aunt Katie Stanczak###imported-begin###lorraine zakrzewski schwartz###imported-end##*
