Tribute Wall

“ Dear Marla and Gerald and Dylan,
My heart is so very heavy for you all in the loss of your very beautiful daughter, and sister. How this loss has affected many on our unit. Isabella, although wasn't with us long, did leave an imprint on your heart, but also on the hearts of many nurses and nurse practitioners. Isabella was a fighter, such a little one, with alot of heart and strength. May your beautiful angel now be free and without pain. May peace find your hearts. Remember we are always here if you need someone to talk to.
