“ Jackie was a friend in high school. She had a great sense of humor and was very theatrical. I also worked with her mom during my teenage years. She was a wonderful person also. Like mother...like daughter. She will be missed. My condolences to the family!###imported-begin###Sue (Schank) Bratton###imported-end##

“ Dear James and Kelsey,
I am so sorry to hear of Jackie's passing. We went to school together (1st grade through 12th). She was always a lot of fun to be with and I have many great memories of the times we had. We lost touch after high school but I will never forget her great sense of humor and sense of adventure. You are in my thoughts and prayers. With sincere sympathy,

“ Dear James and Kelsey,

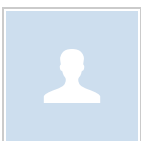

I am so sorry to hear of Jackie's passing. Jackie and I were friends as kids and I remember spending nights at her house in the 60's. We also worked together, Jackie, Charlotte and I at the Dairy Queen in Rose City. What an amazing sense of humor she had. Your Uncle John rode the Ogemaw County Transit, where I work, and he would keep me up to date on the family. It has been over 40 years since I last saw Jackie and I have never forgotten her or how strong willed she was. May God be a comfort to you both.##imported-begin##Connie Raymond(Cousins##imported-end##

“ *My sincerest sympathies go out to your family. I worked with Jackie at Chrysler. She was always helpful to me, cut me a lot of slack when I did something wrong, and expected that I'd get it right the next time (or she'd remind me - in a nice way). I enjoyed working with her and appreciated her help and perspective. I have missed her since she left. We shared stories about our daughters, and she was extremely proud of hers. She will be remembered.##imported-begin##Anna Love##imported-end##*

Jackie was quite an individual! I always had the utmost respect for her intelligence and experiential knowledge. When she retired, she was sorely missed.
