“ Just heard about Uncle Jack. My mother (his sister Jeanne) died 10 years ago and I tried to find him then. Turns out he and Pat were living in the same township as my sister Fran!!

I remember Karen and Patty, as well as Pat, who was pregnant with Dawn Marie at the same time I was pregnant with my first son. Sorry I didn't get to know my other cousins but we were all busy living our own lives.

I can picture Jack the day he drove to our house to show off his very first brand new car - a 1956 black and yellow Ford convertible, a real attention getter back then!!!##imported-begin##Maureen (Gostkowski) Burns##imported-end##
