“ To such a wonderful woman always smiling and genial with her words. The first time we met Jacqueline and Bill was 23 years ago on a small vacation With the Monfettes . We bought a slot machine to the hotel. With all the kids playing all day they were fast asleep and so was the whole hotel. Somewhere around 3 AM a very loud IWON and the slot machine was screaming as loud as her well we all woke up with the knocking of the manger and people looking out there rooms. We had to pull the plug to shut off and the look on her face said turn it back on the lowest sound setting ,we all returned to ours beds to sleep but one. You are missed. but as long as our memories last your not forgot we will see you when it's our turn to here what kind of mischief you have gotton in with others that have left. The Susicks

“ She loved a freshly opened bag of Lays potato chips. We would each get a bowl full (one of her wooden ones where the grease would soak in and leave marks until washed).

“ *Sending my love to the whole family during this difficult time. I will miss Jackie so much, every time I would come to visit she would get me fresh corn on the cob and tomatoes from bill's garden for dinner! We had some fantastic family trips together. Love and miss her.*
