“ Dear Sweet Jackie, I will miss our talks on facebook. Even though I hadn't seen you in years, speaking to you on facebook has been like no years have passed. You were always so special to me. We shared lots of secrets and dreams. Peace for you my dear as you have suffered enough on earth. Love you much and we shall meet again. Jaynie

“ She never let her health situation get her down. She was always in a good mood and enjoyed hanging with us when she could. So glad I got to get in one last hug with her last week. Sending prayers of comfort and good memories to you all. She is whole again and at peace. God Bless Jackie and her family.

“ Jackie, I loved your kind hearted soul - you putting out food for the stray cats and a warming area for them in the winter was only one example of your goodness! So glad you're up in Heaven with a new and improved heart! Praying for Kerri, Sara, and Glenda to be comforted!
