“ We are very proud of our Mother; she was a World War II and nazi labor camp survivor. She was the only one of five sisters who learned to drive at age 47 and worked for 18 years. Dad called her his "Hero". She always told us, her children to help one and another out. We did that to the very end but with our Mom. I guess she never had that with her own family. Like her favorite song goes Za Rok, za dzien, za chwila We will always think of you Mama, Babcia. Dziekuje!##imported-begin##wiesia peterson##imported-end##

“ How hard it is to say goodbye when we really know that we're not ready to let go of our dear loved ones. The Bible extends hope to each and every person who have lost a family member to the enemy death. At John 5:28,29 Jesus says "Do not marvel at this because the time is coming when all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life...." Please accept my sincerest condolence as you take time to grieve.##imported-begin##nikki thomas##imported-end##
