“ We miss you, Bud. You always said seeing us made you smile, but it was your laugh and smile that was contagious. It meant the world to us to call you our friend and when you called us friends. You will always be in our hearts, and we will never forget you.

“ I am so broken hearted by the loss of my very dear friend. For the last several years my husband, Kevin, and I have spent time with Jim (Bud) almost every weekend. He loved to sing Karaoke at or favorite bar the Kit Kat Klub. My favorite song he sang was Dream on by Aerosmith. I will always cherish the fun times we had at our backyard parties. Bud had such a great sense of humor and could always put a smile on my face. He will be deeply missed by so many friends. My thoughts and prayers go out to his children, mother and all of his family.
