“ Dear Enos Family, We are very sorry to hear about the loss of our friend Jim. We have so many fond memories of him, while we were living on Corbett Court. We remember each day returning home and Jim being the neighborhood greeter. He was usually outside washing and waxing his favorite classic Camaro, smiling and enjoying life. He always looked out for the children playing on our block, he was a great friend and a very special neighbor. Jim will be missed dearly and we will continue to pray for him and your family. Warmest regards, The DeKeyser Family##imported-begin##Michael and Linda DeKeyser##imported-end##

“ Growing up Uncle Jim was always there to make sure my parents knew everything I did...tattling as I called it then. It wasn't until I grew up that I realized how lucky I was to have such a special person to watch out for me and to be such an amazing friend to my parents. Not only are we neighbors, we are family and I will never forget all the things he has done for me. I love you Uncle Jim and will miss you! To the Enos, Bolek and French families....I know he will never stop watching over us!###imported-begin###Kristin Krebs###imported-end###
