“ I remember sunny afternoons stopping by to visit grandpa and grandma Farnam. Finding them in their backyard with Rusty and the other little pooch. I always assume Rusty was called Rusty because of the rust colored stains on it's face! Grandpa always had a calm and tranquil air about him. Seemed to be the ultimate observer of life. I'm glad he got to observe his beautiful family growing up and expanding. Good people beget goodness and he instilled his special calmness in those around him.
