“ Dear Folske family - My prayers and condolences to you and your family. We were neighbors for many years on Shamrock Dr., and I watched your girls as their babysitter. “ Donna, I'm going to miss this man more than you know. He was a real character and I enjoyed chatting with him. He reminded me so much of my dad with his generous ways and BIG heart. I'll never see a tootsie roll pop without thinking of him LOL. You are in my thoughts and prayers. May our dear Lord wrap His loving arms around you for comfort and peace. Love you, Cheryl Tatro

“ I lived across from the family on 23 mile road. Usually when I went to there farm, Jim was the one to cross me back across the road, When I started driving he would stop me and scare me so much , and say I'll check with your Dad if you allowed to take the car , the minute any one mention that they would talk my dad I thought a lecture for a hour , But now I remember every word when and if I had a lecture from my dad You were a great neighbor Marianna (Claeys) Van Loon

“ Our most sincere condolences to Ms. Donna Folske and the entire Folske family. Many years ago, I met Mr. and Mrs. Folske at OLG Catholic Church in Raymondville, Texas, where they were faithful parishioners while they lived here. I loved seeing them each year as they would brighten up our days. I considered them part of our extended family. I was also acquainted with them through my affiliation as Raymondville High School Booster Club President where they were loyal supporters of our High school softball teams for many years including most recently the years in which my daughter Celyna played. I will always remember Jim's warm smile and genuine personality. He will be greatly missed by all of us who knew him here in Raymondville. Eternal rest grant unto him and let perpetual light shine upon him. You are definitely walking the streets of gold in heaven Mr. Folske. Elena Vasquez and family
