“ *I remember when aunt Mary and uncle Curly lived on studebaker, they would come out to the farm and Jim ,Dennis and me would have a good time playing in the barn. Jim was real proud when he became a Boy Scout. Sure missed him when we grew apart. At least we have the same middle name after grampa. Cuz. Louie*

“ I won't be able to listen to Shania twain without thinking of papa that's forsure! When papa moved into his new house on this side of the state I noticed his front door window was covered up & I asked why it was covered and if he wanted me to open it. He said to me "no, I have to keep it covered so my neighbors dont see me walking around without my pants on!" A few years into dating Drake, papa pulled me aside and complimented me on how different I looked, noticing I had lost weight. I couldn't believe he actually noticed, I was sooo excited! I still remember that & I think I'll always remember that conversation! Thanks for hyping me up papa! You will be missed dearly by so many but I am at peace knowing you're no longer in pain or discomfort & that you're eating alllll the sweets! You are smiling & laughing & happy again, cant wait to share pie and donuts with you! Love Laura
