“ Jim and I were researching our Polish ancestors online and it turned out we were 4th cousins! Over the years, we exchanged emails and did video chats, and finally, in 2023, my daughter and I traveled to Michigan and met Jim and his sister Karen. Jim was a very creative person and had unique hobbies. I was privileged to know him. He will be missed.

“ Jim loved beauty, and he created it in music, drama, and song. His gentle laugh, often over the ironies of life, is something I will always remember. His search for all things beautiful and peaceful is now complete in God. Thank you Jim for your life well-lived!
